

Additional Housing Assistance

ANNUAL FUNDRAISING GOAL

\$50,000 annually

PROVIDER

Wings Advocacy

OVERVIEW

To obtain permanent housing, Homeless clients are required to possess a birth certificate and legal Identification. Volunteers from Wings meet clients at the Olive Avenue DMV one day every week to assist with obtaining photo identification, they will assist with ordering out-of-state birth certificates and in obtaining social security cards.

Once housing is obtained, the clients will need furnishings and household items. Wings supports clients by delivering brand new beds and pillows with fresh linens and clean, gently used home furnishings to a newly housed person or family. All items outside of the beds and pillows are obtained through community donations. Providing this service adds one more foundation to anchor the client in housing because it helps to make it feel like a permanent home reducing recidivism and increased productivity.

SERVICES

- Furnishing permanent housing with necessities
- Assisting in obtaining legal identification: Birth Certificates, Photo Identification, and Social Security Card
